Gamache, Curley, Gregor and Porter join Harriman

August 02, 2012 - Northern New England

Terri Gamache, James Curley, P.E., Anatoly Gregor, P.E., and Christina Porter have joined Harriman.

Gamache, joins Harriman as marketing director and brings over 12 years of experience in marketing and graphic design. Prior to joining Harriman, Gamache was director of marketing and public relations at Catholic Charities of Maine. She holds a Bachelor of Science in Business Administration from Saint Joseph's College.

Curley joins as a structural engineer and brings 30 years of experience in civil engineering. He holds a Bachelor of Science in Civil Engineering from the University of Lowell in Mass. Prior to joining the company, Curley was employed at Colby Company Engineering in Portland

Gregor, who will be an electrical engineer, brings 20 years of professional experience in commercial, data center, education, healthcare, hotel, laboratory/pharmaceutical, retail and transportation facility electrical engineering design. He holds a Bachelor of Science in Electrical Engineering from Newark College of Engineering at New Jersey Institute of Technology. Prior to joining Harriman, he was employed by DAI Architects & Engineers in Farmingdale, Maine.

Porter joins Harriman as an Architect Intern. She is a recent graduate of Rensselaer Polytechnic Institute with a Bachelor of Architecture degree. She also had the opportunity to study at Politecnico Di Torino in Italy during the fall of 2009 where she collaborated with other students in the redevelopment of the Olympic Village site.
