Vision 3 Architects designs new Cumberland location for Pawtucket Credit Union

August 09, 2012 - Rhode Island

On May 14, Pawtucket Credit Union held a ribbon-cutting to mark the opening of their newest branch. Designed by Vision 3

Architects of Providence, the 2,800 s/f branch at 1855 Mendon Rd. is the Credit Union's 15th location, and their first in Cumberland. The new branch was built by Graham Builders, Inc. of Smithfield, R.I.

"We applaud Pawtucket Credit Union on their continued success," said Keith Davignon, AIA, principal at Vision 3 who has been working with Pawtucket Credit Union for over 20 years.

The exterior design is a simple, traditional style which fits easily into the suburban neighborhood with the interior being more contemporary. Features of the new full-service branch includes two drive-thru lanes, a 24 hour drive-up ATM, and private offices.
