Keys to success: Never met a problem I couldn't solve!

If you had to choose a different profession, what would it be? I'd want to work with Ted Reinstein covering the main streets and back roads of New England for Chronicle!

Person you admire most (outside of the family): That's a tough one! I admire many people within my industry from Dalia Tamari to Leslie Saul to Tom Clarke to Dawn Willis to Sandra Lashway to Tom Kelly and many more.

All of these people have been influential in my growth and success throughout the years. I'm a better person for having known and worked with all of them. They've taught me more than design; they've taught me how to be a better person...and I thank them all!
