August 23, 2012 - Front Section

NAI Hunneman's investment sales group brokered the \$30.85 million sale of the Centurion Portfolio to Synergy Investments.

NAI Hunneman executive vice president/principal David Ross and investment sales associate Gina Barroso represented the seller, Centurion Realty LLC, and procured the buyer, Synergy Investments. In addition to the sale, NAI Hunneman vice presidents David Cooney and Bonny Doorakian have been retained as exclusive leasing agents for the properties.

Located in the city's Downtown Crossing and the Financial District, the four-building, 138,851 s/f office portfolio consists of the following properties:

- * 184 High St.
- * 71 Summer St.
- * 77 Summer St.
- * 87 Summer St.

"The properties offered Synergy Investments a substantial office portfolio with a strong tenant roster in addition to the potential for future upside. Synergy Investments has been very active in Boston's office market and were a natural fit for the Centurion Portfolio." said Ross. "The Summer St. buildings are located within the heart of the Downtown Boston Business Improvement district, which has seen a dramatic revitalization over the last several years, making these buildings an ideal destination for emerging technology, innovation and growing firms."
