September 06, 2012 - Owners Developers & Managers

september 13

5:30 p.m. at Tea Party Museum, 306 Congress St., Boston

Building on the Water - The Daunting Task Faced by the Tea Party Museum: Building on land can prove difficult enough; building on the waterfront can be even more so, now imagine actually building on the water! Come and learn about what challenges were faced by the team who brought us the Tea Party Museum. From design thru construction the completion of this project has been greatly anticipated by the Boston community. Come join us as we kick off our 2012-2013 Programs calendar with this rare opportunity to learn about an historic and unique structure.

ELN Presents Speed Networking: New Tips & Old Tricks

The ELN Speed Networking event is designed to encourage members to meet a large number of new people. During the program, participants will be rotated through a series of short meetings to get acquainted with each-other one on one. At the end of each interval, the Moderator will signal the participants to move on to the next meeting. This is a great opportunity for both emerging and seasoned professionals to connect for the purpose that meets your needs:

- \* Expand your network
- \* New business opportunities
- \* Hiring prospects

Event to be held at 5:30 PM at Red Thread, 22 Boston Wharf Rd, Boston.
