10-18-2012 - Steel Fabricators of New England New Technologies dinner meeting

September 27, 2012 - Front Section

The Steel Fabricators of New England (SFNE) will be hosting New Technologies Dinner Meeting on October 18th. The event will be held at the Doubletree Hotel, from 5 p.m. - 8 p.m.

To help fabricators prepare for a prosperous future, the SFNE education committee has designed this dinner meeting program to provide members and colleagues with information about the latest technical innovations and systems that can be used in the steel fabrication business.

The program has been designed as a panel discussion to provide you with a variety of new ideas, systems and technologies that can help move your company profitably into the future. The panel will include:

- * Controlled Automation, Inc.
- * Ficep Corp.
- * Peddinghaus Corp.
- * Tekla Corp.
