Jakubowski joins Real Living Wareck D'Ostilio Real Estate

October 18, 2012 - Connecticut

Real Living Wareck D'Ostilio Real Estate welcomed Realtor Theresa Jakubowski to its growing team. Jakubowski is entering the field after twelve years of work in pharmaceutical sales and occupational therapy services.

Her experience in health care has allowed Jakubowski to witness, first-hand, the impact ones' home has on independent function and quality of life. She is uniquely qualified to assist in identifying homes that are fully accessible to seniors looking to "right size" their homes. In addition, Jakubowski has experience in multifamily dwellings and full service property management due to her work as real estate investor.

Jakubowski holds a bachelor of science in Occupational Therapy and a MBA in Finance both from Quinnipiac University.
