Mabbett awarded five-year REPAS contract by U.S. EPA Region 1

October 25, 2012 - Green Buildings

Mabbett & Associates, Inc. has been awarded a five year, \$2.3 million, Resource Conservation and Recovery Act (RCRA) Enforcement, Permitting and Assistance (REPA 5) Contract from the US Environmental Protection Agency (EPA) Region 1. Mabbett will provide technical support services to EPA Region 1 toward achievement of its RCRA program goals. Mabbett as EPA Region 1's REPA 4 Contractor from 2007 to 2012 provided support at approximately 30 facility sites located throughout New England. "We are grateful to have this opportunity to continue to serve EPA Region 1," said Paul Steinberg, PE, LSP, Mabbett's program manager. "We have an experienced team and look forward to delivering high quality, well managed, and responsive service in support of EPA's mission and in achieving its goals. Under our REPA 4 contract we worked closely with EPA's program team to help advance RCRA Corrective Action programs throughout New England. I am confident that our strong relationships and experienced team will enable us to deliver best value service to EPA." Mabbett is an award winning and nationally recognized firm that provides integrated multi-disciplinary environmental, health and safety and sustainability energy consulting and engineering services.
