Amenta/Emma to design 66,000 s/f headquarters for Xylem

December 20, 2012 - Connecticut

Xylem, a global water technology company with operations in more than 150 countries, has selected Amenta/Emma Architects to design their new 66,000 s/f corporate headquarters.

Their headquarters are currently located in White Plains, N.Y., but they are seeking a new location where they can define their unique brand and identity through the architecture and interior design.

Xylem will seek LEED gold certification for their renovations.

Amenta/Emma is providing programming, interior design and furniture services.
