Marasco joins State Electric as sr. project est.

December 20, 2012 - Construction Design & Engineering

State Electric Corp., a leading full service electrical construction contractor, is pleased to announce Paul Marasco has joined the firm as a senior project estimator.

Marasco brings 30 years of estimating and cost experience to our clients. He has worked in the New England and Greater Boston construction market all of his career with 27 of those years at Interstate Electrical Services Corp. Marasco will serve our clients in the electrical construction, utility construction and renewable energy groups.
