What your firm does now and its plans for the future? Continue to grow our three lines of business both geographically and in scale: Owner's project management, property management, and selective acquisition and development projects. It's exciting to be doing deals again after a stressful 2008-2011.

Favorite film: "Citizen Kane." Actually I have never seen it, but have a cool old movie poster of Orson Welles in my office.

Keys to success: The support of my family and my partners - I have been fortunate to be surrounded by amazing (and tolerant!) teammates at home and at work.

Person(s) you most admire (outside of family) Company co-founder and partner, Jordan Stone

If you had to choose a different profession, what would it be? Heineken sales rep
