Needham Electric opens Hudson, N.H. location

February 28, 2013 - Northern New England

Needham Electric Supply has opened its ninth branch in N.H. The new Hudson location, located at 13 Hampshire Dr., is a full-service branch including a 1,500 s/f counter and 5,000 s/f warehouse.

Walter Mycroft, who joined Needham Electric in October 2012 and has 20+ years experience in the industry, has been named district manager. Mycroft will be responsible for the managing the day-to-day sales and operations as well as expanding the Company's footprint in Southern N.H.

"Southern New Hampshire is a target growth area for us so we are very excited to open our new branch and to have someone of Walter's caliber and years of experience leading our efforts in this region," said Gregory Wilson, president of Needham Electric Supply. "Customers will have access to our expert lighting and switchgear projects group, \$12 million in inventory at our distribution center, 24-hour emergency services, and a fleet of 10 trucks as well as vans at branch locations for local deliveries."
