Jerich joins Timberline Construction Corp.

March 15, 2013 - Construction Design & Engineering

Trina Jerich has joined the Timberline Construction Corp. team as a senior project manager and client relations.

Jerich brings experience in the healthcare, assisted living, multi-unit housing, historical rehabs, and high-end commercial sectors. Over the past 14 years, she served as project executive and senior project manager for Dacon, CWC Builders, Walsh Brothers and Suffolk.

Jerich's ability as a leader to foster healthy team environments with communication, while problem solving, has earned respect and strong relationships with her peers, clients, consultants and subcontractors alike.
