Nitsch Engineering promotes Hussein and Schmid

March 21, 2013 - Green Buildings

Nitsch Engineering has promoted Fayssal Hussein, PE, PTOE, LEED Green Associate to vice president and principal; and John Schmid, PE, LEED AP BD+C to executive project manager.

Hussein is a member of the American Council of Engineering Companies/Mass.(ACEC/MA) and serves as chairman on two subcommittees of the Transportation Agencies Liaison Committee; he is also an adjunct professor and member of the advisory board for the Civil Engineering Dept. at the University of Mass. Lowell. Fayssal earned his M.S. in Transportation Engineering and B.S. in civil engineering from Northeastern University.

Schmid is a member of the ACEC/MA program committee, and is chair of the Advisory Board Finance Committee for the town of Hull. He assisted the Boston Redevelopment Authority and the Boston Water and Sewer Commission in drafting the technical components of the city's new groundwater recharge regulations known as Article 32, Groundwater Conservation Overlay District. Schmid earned his B.S. in civil engineering from Northeastern University.
