In what way has the New England Real Estate Journal been a benefit to you and your business?
The New England Real Estate Journal has been a tremendous asset to the Quonset Development Corporation for some time. It is a key venue to help educate Rhode Islanders and fellow New Englanders about the growth at Quonset Business Park and how we are helping to move Rhode Island forward. With more than 9,100 full-time and part-time jobs across 175 companies at Quonset Business Park we have a great story to share and we value the New England Real Estate Journal's ability to help tell it.
