In what way has the New England Real Estate Journal been a benefit to you and your business? Marketing properties to developers, brokers, and non-subscribers to listing services has proven to be effective through the NEREJ. Repeat advertising keeps us visible in the commercial community. The articles are informative and up to date.

How long have you been affiliated with the commercial real estate industry? Almost 30 years leasing and selling, office, commercial, industrial and land in southeastern Mass. and R.I. For two years+ in the early 1990s, after leaving Charles Real Estate and while starting my own business, I was hired by Kennedy Wilson to represent and sell their portfolio of auction properties in Mass., R.I and Conn. Wluka Real Estate has successfully experienced many economic cycles in real estate ... Let' s hope prosperity is here to stay.
