Boehringer Ingelheim Pharmaceuticals re-signs to 10 years at Matrix Corporate Center

April 18, 2013 - Connecticut

According to The Matrix Realty Group, Boehringer Ingelheim Pharmaceuticals, Inc. (BIPI), one of the world's largest privately held pharmaceutical companies in the United States, has signed a ten-year lease extension at the Matrix Corporate Center (MCC), on Ridgebury Rd.

"We are honored to have been a part of what is likely the largest leasing transaction in New England this year," said Glen Nelson, CEO of Matrix Realty Group. "The quality of our amenities provides an office campus environment that has allowed our leasing efforts to continually indulge the leasing market. To that end, we are currently in discussions with several large companies, which we anticipate bringing to the Matrix Corporate Center in the very near future."

Mike Brown, general manager of Matrix Corporate Center, handled the lease transaction, with Trip Hoffman and Jay Hruska of Cushman & Wakefield in Stamford, representing Boehringer Ingelheim Pharmaceuticals.
