Sullivan Construction renovating Bentley University admissions center

April 18, 2013 - Construction Design & Engineering

Sullivan Construction Inc. is completing the renovations to 16,465 s/f of educational space, along with a new vestibule, to the LaCava Undergrad Admissions Center at Bentley University.

The work involved the complete demolition of all interior walls, construction of new offices, conference rooms, visitor's rooms with an operable partition, new restrooms and lobby together with all associated mechanical and electrical work.
