GC Showcase - Nov. 7

September 18, 2007 - Construction Design & Engineering

Back by popular demand, ASM will host its second annual "GC Showcase" on November 7, once again featuring some of the region's leading general contractors and construction managers.

This year's all-star cast includes Barr & Barr, Columbia Construction, Dimeo Construction, John Moriarty Associates, Linbeck, Mark Truant Associates, Skanska, Walsh Brothers and more. Each of them will bring 2-3 company decision-makers, who will be ready to answer subcontractor's questions and engage in small group Roundtable discussions.

Attendance to the Roundtable sessions, from 4:00 - 6:00 p.m., is limited to two people per company, but the reception that follows from 6:00 - 7:30 p.m. is open to all, and is a popular networking opportunity.
