The Randall Family of Companies among RIS Media's top 500 power brokers

May 09, 2013 - Rhode Island

RIS Media's 25th Annual Power Broker Report of the residential real estate industry's top 500 brokerage firms included the Randall Family of Companies, ranking number 111 in sales rank - which denotes dollar volume sold - with more than one billion dollars in sales in 2012. The company also ranked number 215 in number of transactions with 2520 last year. The ranking was released in the April, 2013 edition of RIS Media Real Estate Magazine. These latest rankings are evidence of Randall's rapid rise among the nation's real estate power brokers.

The Randall Family of Companies, now the largest Rhode Island-based residential real estate firm, is comprised of Randall, REALTORS Real Living in Rhode Island and Conn.; Kinlin Grover Real Estate on Cape Cod; and Page Taft Christie's International Real Estate and Pequot Commercial in Conn. The company has grown from five Rhode Island offices a decade ago to 27 residential and commercial offices today. During that same time, sales have increased from \$170 million to \$1.064 billion.
