Vidaris relocates office to Boston

May 16, 2013 - Construction Design & Engineering

Vidaris, Inc., a leading consulting and monitoring firm specializing in high-performance buildings has relocated to 51 Sleeper St. The new and larger office is designed to support further growth for the company, allowing Vidaris to better serve its clientele. The space will provide a collaborative environment for its highly experienced and skilled team while increasing the company's visibility in the local area.

Vidaris senior vice president, Alexander Argento said, "Vidaris has made great strides in Boston and this move solidifies our commitment to providing the highest level of service for our Boston clientele. Our new office gives us the space to accommodate growth while offering increased accessibility for our A/E/C clients."
