BL Companies expands its Hartford office

May 16, 2013 - Connecticut

According to BL Companies, a multi-disciplinary architecture, engineering, environmental and land surveying firm, providing services to public and private clients in the Northeast and Mid-Atlantic, as of March 1, the company has expanded its Hartford office to accommodate its growth in Connecticut and the Northeast region. Located at 150 Trumbull St. in the heart of the downtown area, the enlarged office space accommodates over 40 employees.

"This expansion has been planned as part of our overall regional growth strategy," said Derek Kohl, PE, director of engineering for BL's Northeast region.

"Being able to offer our range of services and client care in close proximity to our clients and projects has been a foundation of BL's long-term strategy," said Carolyn Stanworth, president and CEO of BL Companies. "This continues to be an exciting time for BL."
