What your firm does now and its plans for the future? TME, LLC offers renewable energy development services for property owners, investors, and developers. We offer turn-key energy projects from financial consulting through project permitting and construction. TME is one of the few Registered SREC Aggregators in Massachusetts. In addition to design/build and EPC services for our clients, we are owner/operator of several solar projects throughout Massachusetts.

Keys to success: Building strong relationships to last for the long term.

If you had to choose a different profession, what would it be? Hospitality
