The Davis Companies relocating to 125 High Street

July 03, 2013 - Front Section

According to the Davis Companies, after 24 years at One Appleton St. in the city's South End, it is relocating its headquarters to 125 High St. in the Financial District, effective June 28th.

"Our decision to relocate our headquarters to 125 High St. was driven by both our continued growth and the fact that many of our partners and stakeholders are located closer to the Financial District. This move provides us with more space for our growing business and brings us closer to many other members of Boston's commercial real estate and finance communities," said Jonathan Davis, CEO and founder of The Davis Cos.
