Casale joins McFarland Johnson

July 19, 2013 - Construction Design & Engineering

Pompeo Casale, P.E., joins McFarland Johnson as a senior transportation manager, responsible for enhancing the firm's highway and bridge services throughout Massachusetts. Casale has over 30 years of experience in the transportation-engineering field.

Casale graduated in civil engineering from Northeastern University and spent his career specializing in highway and bridge design, design/build, ITS, public works, utilities and construction management projects. He is a member of the Boston Society of Civil Engineers, APWA's New England Chapter, and ASCE.
