What your firm does now and its plans for the future? EBI Consulting's Energy and Sustainability group provides energy assessments to help our clients identify energy management opportunities that improve their bottom line. We also provide LEED Feasibility and Certification services, which looks beyond energy management and uses a holistic approach to promote sustainability in the built environment. Moving forward, EBI will be expanding its offerings to include commissioning, retro-commissioning, renewable energy assessments, design/build services, and measurement and verification.

Hobbies: Music, comedy, games, reading, basketball, tennis.

Favorite novel: The Death of Ivan Ilyich

Favorite film: 12 Angry Men

Keys to success: Passion

Person(s) you most admire (outside of family): Theodore Roosevelt

If you had to choose a different profession, what would it be? Stand-up comedian
