August 02, 2013 - Northern New England

Sheehan Phinney Bass + Green PA has been honored by Managing Intellectual Property Magazine as the 2013 Intellectual Property, Tier 1, Highly Recommended law firm in N.H. The publication also recognized firm shareholders, Peter Nieves, Christopher Cole, Robert Miller and Michael Harvell as IP stars for their individual contributions and recognition within the intellectual property field.

Managing IP is the leading source of news and analysis on intellectual property worldwide. Researchers contacted firms in more than 80 jurisdictions requesting recommendations to determine rankings in each country. That IP Survey is the industry's largest, oldest, and most detailed analysis of the leading IP firms.

For the first time this year, the survey's annual IP Handbook also features IP Stars - the leading practitioners at the listed firms that received particular recommendation during Managing IP's research.

Several of the firm's practice group members have been recognized as the best in their field by Chambers USA, Super Lawyers and Woodward/White's Best Lawyers in America.
