Sareault named director of construction operations for Fulcrum Associates

September 05, 2013 - Northern New England

According to Fulcrum Associates, Steve Sareault, PE has been named director of construction operations. Sareault joined the management staff of Fulcrum 14 months ago and brings 22 years of hands on project management experience in the design and construction environments to his new position with Fulcrum.

In his role as director of construction operations, Sareault will be responsible for implementation, coordination, and tracking all project management and field operations.

Sareault is a licensed NH professional engineer, a LEED AP, and is ASHE healthcare certified.
