Blewett and Leary named managing directors of KlingStubbins

September 19, 2013 - Construction Design & Engineering

KlingStubbins has promoted Peter Blewett who has assumed the role of managing director-operations and Chris Leary who is managing director-projects.

* Blewett, AIA has been with the KlingStubbins organization for over 31 years and has had many roles and responsibilities that have had a positive influence in the growth and reputation of the firm over these many years! Peter will look after the staffing, operations and financial matters for the office. He earned a Master of Architecture in Advanced Studies from the Mass. Institute of Technology.

* Leary, AIA, LEED has been with the firm over 20 years and will lead the way in client development and growing our capabilities to sell and execute projects in all of our primary markets. He earned a Bachelor of Architecture from Syracuse University School of Architecture.

In 2011, KlingStubbins merged with Jacobs Engineering Group Inc. Jacobs is one of the world's largest and most diverse providers of professional technical services.
