Poulin joins Structure Tone as VP bus. development

March 20, 2008 - Construction Design & Engineering

Kristin Poulin has joined Structure Tone, Inc. as vice president of business development for its operations in the New England region.

Poulin specializes in developing long term relationships in both the institutional and corporate construction sectors throughout the region. She will focus on expanding Structure Tone's existing relationships with special emphasis on the healthcare and higher education sectors.

Poulin's activities in the local A/E/C community include serving on the CoreNet Global board of directors.
