Highland-March Office Business Centers offers option for professionals

October 03, 2013 - Front Section

The music is a bit too loud. Small children scream and scramble through the aisles. The neighborhood coffee shop may not be the best option as a between appointment oasis. Now there is an alternative. Highland-March Office Business Centers with locations in Braintree, Mansfield and Westborough offer hourly rates and other packages to help busy professionals remain productive when they are between appointments and distant from their home office or corporate office.

Imagine it. Close the door on your own temporary office and get down to business. Make a private phone call. Pull out the laptop and catch up on email or put the finishing touches on a proposal. No lease. No commitment. Day office rates range from \$25 per hour to \$75 for a half day and \$150 for a full day. Conference rooms and training rooms range between \$35 - \$75 per hour with discounts applied for half and full days. Need a day office several times a month? Custom programs are available. Full-time offices start at \$650 per month.

"Road warriors are tired of making due with the less than optimal working conditions they find in fast food restaurants, coffee shops and hotel lobbies; not the least of which is a lack of privacy and security," said Leslie Libeskind, president of Highland-March Office Business Centers.

Libeskind said, "Business people crave an environment that allows them to be productive regardless of where their day might take them. Hourly office options allow professionals to plug in and make the most of their time during peak hours - instead of forcing them to catch up at night or very early morning."

Offices at Highland-March are turn-key. Whether hourly or full time, each office is fully furnished, phone service is an option and Internet access is ready-to-go. Utilities, janitorial service and common area maintenance are all included with your office. Administrative staff is available to answer phones and greet guests with warmth and professionalism, providing a polished image for your business. Highland-March has three convenient locations including 25 Braintree Hill Office Park, Suite 200, Braintree, MA; 20 Cabot Boulevard, Suite 300, Mansfield, MA; and 1900 West Park Drive, Suite 280, Westborough, MA.
