Morin of Morin Landscaping honored with ethics award

October 03, 2013 - Northern New England

Tom Morin, president of Morin's Landscaping, Hollis, N.H., has been named as the recipient of the seventeenth annual New Hampshire Construction Industry Ethics Award. The award honors the "individual, business or organization that, through its words and deeds, best demonstrates a commitment to upholding the highest ethical standards in construction."

Celebrating its 35th anniversary this year, with more than 125 employees serving southern N.H. and northern Mass., Morin's Landscaping provides landscape design, construction, irrigation and maintenance services to residential and commercial clients, as well as commercial snow removal during the winter.

The New Hampshire Construction Industry Ethics Award was established and is underwritten by David Wood, a nationally recognized writer, publisher and marketing consultant.
