## **Howe joins Consigli Construction Co. as director of preservation**

October 17, 2013 - Construction Design & Engineering

Lisa Howe has joined Consigli Construction Co., Inc. as director of preservation. A nationally-recognized expert in historic and sustainable preservation, Howe brings to Consigli nearly 30 years of experience in the design and construction industry, marked by her leadership on projects such as the restoration of the Massachusetts State House, Harvard University's Sever Hall, Boston's Trinity Church, the Conrad B. Duberstein Courthouse in Brooklyn, N.Y. and St. Elizabeths Redevelopment in Washington D.C.

Howe, a LEED Accredited Professional, received a Bachelor of Science degree in Historic Preservation at Roger Williams University in Rhode Island, and a Master of Real Estate Development from the University of Maryland. As an expert in sustainable preservation, Howe has presented at numerous professional organization conferences in the U.S. and Canada and has published research on a variety of construction industry topics including, "Roxbury Puddingstone: Boston's Building Stone".
