Blazon promoted to project management and estimating at North Branch Construction

October 24, 2013 - Green Buildings

Bruce Blazon, LEED AP, has moved from his position in field operations for North Branch Construction into a project management and estimating position at the company's headquarters. Blazon has served as vice president and principal of the firm since 2004 and brings with him leadership skills from his experience as a U.S. Marine Corps combat veteran and environmental construction knowledge by the U.S. Green Building Council as a LEED Accredited Professional. He is currently managing a renovation of Sig Sauer's former headquarters in Exeter.
