Jewett Automotive Design & Construction contracted with Herb Chambers to renovate dealerships

November 14, 2013 - Front Section

Jewett Automotive Design & Construction, a division of Jewett Construction Company, Inc., has contracted with the Herb Chambers Companies to provide both interior and exterior renovations to its Jaguar and Land Rover dealerships.

The project, designed by Regent Associates, Inc. of Westborough, will include the interior renovation of 6,000 s/f of shared showroom and offices. Work will be performed in phases, allowing the showroom to remain open, and includes new tile flooring, lighting fixtures and finishes. Exterior upgrades include a new entry element and ACM panels. This project is fast-tracked to be completed in ten weeks.

Jewett Automotive Design & Construction specializes in design/build auto dealership facilities, auto dealership additions, auto dealership renovations and auto dealership fit-ups all across New England—completing more than fifty such projects in the last few years. Clients include such well-known organizations as Watertown Ford, the Tulley Automotive Group, Olsen Cadillac, the Melkonian Group and the Grappone Automotive Group.
