IREM president's message: Annual Awards Night!

December 05, 2013 - Owners Developers & Managers

The Boston Chapter held its Annual Awards Night on November 7th at the Seaport World Trade Center in Boston. The event was attended by over 250 real estate industry professionals and, by all standards, was a great success!

We would like to extend a special thank you to our keynote speaker for the evening, senator (MA) Scott Brown. He joined us for the cocktail hour, where he mingled with guests, personalized books and was in countless photo ops! Later on in the evening, Brown spoke about the topic of his NY Times #4 bestselling book, "Against All Odds" and discussed current economic and political conditions and the importance of all parties working together. Brown also generously gave each guest a signed copy of his book. Thank you again Scott, we enjoyed your visit and would love to have you back for another event!

Another special guest who deserves recognition is IREM member Roseann Sdoia. She was awarded the ARM of the Year Award for her overall Boston STRONG attitude during this challenging year. It was great to see Sdoia and spend some time catching up with her. Thanks again for coming out to see us, the chapter continues to support you!
