Integrated Builders, Inc. hires Kelly as project superintendent

December 12, 2013 - Front Section

Integrated Builders, Inc. has added project superintendent Michael Kelly to their growing team of construction professionals.

In this position, Kelly will manage on-site construction with Integrated Builders subcontractor base through coordinated efforts with each of the firm's project managers.

Prior to joining Integrated Builders, Kelly has gained over 15 years of experience in managing residential and mixed-use projects along the East Coast.

As project manager at Vazza Properties and Kelly Corp., Kelly focused on multi-unit residential projects on a production level.

With specialized skills in residential projects, Kelly proves to be an exceptional addition to the Integrated Builders team. Notably, Kelly has completed multiple multi-unit residential and commercial developments in the Massachusetts area such as Union Station, Braintree, MA; Bedford Woods, Bedford, MA; Blue Hill Commons; Canton, MA and The Meadows and The Cottages, South Weymouth, MA.

"Michael joins our team with a substantial amount of experience and hands on industry exposure," said Jay Dacey, president of Integrated Builders. "We look forward to the contribution of his residential expertise as the Integrated Builders portfolio continues to grow."

"I am very appreciative that Integrated Builders has given me this opportunity to work with their team," said Kelly. "I found the focus on the client, and systematic approaches to manage projects appealing and I look forward continuing my growth as an industry professional with the Integrated Builders team."

Integrated Builders is the general contractor of choice for New England's leading companies and institutions, providing construction management, design/build and general contracting services to developers and owners in a wide-range of commercial markets. From ground-up construction to tenant improvements, rehabilitations and property repositioning, Integrated Builders has repeatedly proven its value due to its unique ability to complete projects "From a Client's Point of View." Since 1992, Integrated Builders has provided expert services to a wide-range of market sectors, including office, manufacturing, health science/biotech/R&D, retail, data centers, and recreational/residential/institutional buildings.
