North Branch Construction completes work on New Hampshire Hospital Acute Psychiatric Services Facility

January 02, 2014 - Owners Developers & Managers

North Branch Construction has completed the exterior improvements at the New Hampshire Hospital Acute Psychiatric Services Facility located on Clinton St. New Hampshire Hospital provides acute treatment for children, adolescents, adults, and the elderly who suffer from severe mental illness.

The scope of work included a complete roof replacement, masonry veneer repair, replacement of exterior composite wall cladding materials, and miscellaneous site improvements. Construction was completed a week early and under budget. Design for the project was by Christopher P. Williams Architects of Meredith, NH.
