Connecticut/Western Massachusetts SIOR chapter to host conference

January 16, 2014 - Connecticut

The Connecticut/Western Massachusetts chapter of The Society of Industrial and Office Realtors (SIOR), along with its counterpart Downstate New York and New Jersey Chapters, will be hosting a one-day real estate conference to be held March 7. The event will be open to all SIORs and invited guests. It will be sponsored by Bank of America and held at One Bryant Park in New York City; also known as The Bank of America Building.

The conference agenda is in the process of being finalized. Planned sessions will include presentations on workplace trends, logistics and supply chain updates, and real estate finance/market outlooks. Breakfast and lunch will be included, along with a cocktail networking session at the end of the day. There is still room for additional event sponsors.
