BL Companies donates \$10,000 to local food banks

January 16, 2014 - Connecticut

BL Companies, an employee-owned, multi-disciplinary architecture, engineering, environmental and land surveying firm has donated \$10,000 to food assistance programs in honor of their clients and business partners.

"The food assistance programs are facing ever increasing demands for their services throughout the communities where BL Companies works and our employee owners live," said Carolyn Stanworth, president and CEO. "We have chosen to donate to these programs on behalf of our clients and business partners to celebrate the season of giving. While we wish the need was not as great, we know our clients, business partners and employee owners appreciate giving back to those in need during this holiday season."

In the spirit of giving and gratitude, BL has contributed to food bank agencies in Conn., Penn., Mass., N.Y., Ohio and Texas.
