ABC member companies help support Make-A-Wish

January 16, 2014 - Construction Design & Engineering

In the true spirit of the holidays, we salute two ABC member companies Delphi Construction, Inc. and LCM Plus for their generous support of Make-A-Wish Massachusetts and Rhode Island. Delphi's gift helped make it possible to fulfill the wish of Felix - a local 9 year-old boy - to visit Disney World. That's what the holidays are truly about. Great job, Team Delphi! LCM Plus out of Melrose also teamed up with the Make-A-Wish foundation and assisted with decorating the Atrium in the Seaport for a young girl who's wish included performing an original song in front of a crowd. LCM did all of the lighting free of charge and made her experience even that much more special. Visit LCM Plus at <http://www.lcmplus.com/>
