Essex Builders completes 25,000 s/f Progressive Insurance claims center

January 16, 2014 - Construction Design & Engineering

Essex Builders completed a new claims center for Progressive Casualty Insurance Company. The new 25,000 s/f building located in the Rte. One Automile; provides a regional base for Progressive's claims processing professionals, as well as inspection bays where their technicians can assess vehicle damage. Design documents for the project were prepared by Richard L. Bowen and Associates of Cleveland, OH.

"The diverse range of projects completed for our commercial clients includes a significant number of auto dealerships, which made this job a great fit for our talents," said David O'Neil, president of Essex Builders.
