Professional Profile: Casey Birmingham 2014

January 30, 2014 - Green Buildings

Name: Casey Birmingham

Title: Project Manager

Company: The Falcon Group

Location: New York, N.Y.

Birthplace: Clinton, N.J.

Education: BS Mech. Engineering, Northeastern Univ., Boston, MA

First job outside of real estate: Lifeguard

First job in real estate or allied field: HVAC/Energy Engineer

What do you do now and what are you planning for the future? The Falcon Energy/MEP division is in the process of developing next-generation retro-commissioning practices that utilize new wireless equipment monitoring technologies.

How do you unwind from a busy day in real estate? Playing/listening to music and running.

Favorite book or author: "Information is Beautiful" by David McCandless

Favorite movie: "Catch Me If You Can"

Last song you purchased/downloaded? "Push On 'Til The Day" by Trey Anastasio

One word to describe your work environment: Dynamic

Rules to live by in business: Take time to get to know your colleagues, because you never know who you may run into down the road.

If you could invite one person to dinner (living or dead) who would it be and where would you go? I would love to sit down with Amory Lovins, Cofounder of the Rocky Mountain Institute, and pick his brain on industry trends while enjoying some wings and beers at Buffalo Wild Wings.

What is your dream job? Chief R&D engineer at the Rocky Mountain Institute
