06-19-2014 - NELTA's 45th Annual Convention at Omni Mt. Washington Resort - June 19th - 22nd

February 27, 2014 - Front Section

There is so much happening at Omni Mount Washington Resort - with a history beginning in the 1700s, in the shadow of the Northeast's highest peaks, you can imagine the possibilities. A place as unique for its magnificent natural setting as it is for its glorious history and architecture, Omni Mount Washington Resort is simply unforgettable.

A grand masterpiece of Spanish Renaissance architecture, the Omni Mount Washington Hotel in New Hampshire's White Mountains was a two-year labor of love for 250 master craftsmen. Conceived by industrialist Joseph Stickney, this National Historic Landmark opened in 1902 and has been attracting generations of families ever since.

As grand as the history behind it, the Omni Mount Washington Hotel, located in Bretton Woods, New Hampshire, is gracious in ambiance and generous in amenities. A favorite New England retreat of presidents, poets and celebrities, the hotel delights every sense with enchanting music, refined dining and luxurious décor.

The final phase of an \$80 million expansion and renovation initiative continues with the replacement of the hotel's iconic signature red roofs. Previous renovations to the guest rooms, public areas and dining facilities, complement the additions of a signature spa and thrilling year-round canopy tour. The classic Donald Ross designed Mount Washington golf course has been lovingly restored according to its original design of 1915 and on the specifications of the original plans by renowned architect Brian Silva.

Throughout its history, the resort has been renowned for natural beauty and luxurious extras. Indoor and outdoor pools, Jacuzzis and fireplaces are just a few of the amenities comforting year round guests. From the Tiffany stained-glass to the crystal chandeliers, you'll find the interior is just as impressive as the exterior.

The hotel's elegant four-diamond Dining Room serves four-course dinners with orchestra accompaniment nightly. Every detail, from the serenading orchestra to the menu that changes daily, reminds you that this is a place unlike any other. After dinner go for a moonlit stroll on the Hotel's 900-foot wrap-around Veranda, listen to jazz music or contemporary favorites in the speakeasy lounge, The Cave, or enjoy one more waltz as the orchestra plays on.
