Colonel Samaris keynotes EBC Evening Program

February 27, 2014 - Green Buildings

The Environmental Business Council of New England will host Colonel Samaris at an evening program this March. Please see below for more information about upcoming events at the EBC and visit the EBC's website at www.ebcne.org to register.

March 20:

Colonel Charles Samaris, New England District Commander of the U.S. Army Corps of Engineers, will discuss the Corps' plans for the New England District. Learn about the key environmental programs, projects and other contract opportunities that the Corps. will be working on in New England in FY14 and beyond, including Superfund, dredging and ecosystem restoration.

This is your opportunity to learn more about the U.S. Army Corps of Engineers' plans in New England and gain a better understanding of the environmental business opportunities that will result. Continuing Education Certificates are awarded by the EBC for this program (2 training contact hours). Please select this option during registration if you wish to receive a certificate.
