Cooper joins Headwaters Inc. as New England territory sales representative

March 06, 2014 - Owners Developers & Managers

Headwaters Inc. stone division has hired Carlton Cooper as the New England territory sales representative promoting their three lines of manufactured stone veneer which are: Eldorado Stone, Dutch Quality Stone, and Stonecraft. His primary responsibilities are to lead all product sales and distribution activities. Cooper will also educate and train architectural firms, distributors, as well as general and masonry contractors. He will be attending and exhibiting at regional trade events and industry association functions.

In Carlton's 20 years in the construction industry he has played a key role in growth of companies such as A.H. Harris & Sons, Georgia Pacific Gypsum and others throughout the New England region doing business with many different trades people. His passion and dedication for the industry is evident in whatever he gets involved in.

Cooper was also the founding chairman of the Young Professionals Group of ABC NH/VT and a 2013 board member of the Associated Builders & Contractors of NH/VT. He has been involved in multiple trade associations and is a U.S. Army Veteran.
