In addition, the owner has spent significant funds on the exterior including an all new landscaping design which greatly enhanced the curb appeal.

The property is leased to a diversified group of nine tenants. The two largest are the New England State Police and Kimberly Clark Global, a \$21 billion leading global health and hygiene company. Other major tenants in the property include well-known national companies including Fusion Storm, Revlon, and TRC Companies, Inc.

The property is managed by Aegean Capital, which is owned by Constantine Alexakos. Alexakos's ownership of Franklin Oaks Office Park originally dates back to 2001.

The non-recourse financing was provided by a Mass. based bank.
