What do you do now and what are you planning for the future? National Energy Technologies LLC is a commercial facility conservation consultant specialist. We introduce, price, procure and coordinate installation of specifically targeted technologies designed to maximize utility savings with the shortest ROI. Our desire is to promote the understanding and usage of advanced fast return conservation products that protect health and equipment while reducing natural resources.

Hobbies: Motorcycling, gardening and building things from scratch

Favorite novel: "Jobs"

Favorite film: "The Hangover"

Keys to success: Hard work, networking and the support of my loving wife

Person(s) you most admire (outside of family): Rom Emanuel

If you had to choose a different profession, what would it be? Architect

New England Real Estate Journal - 17 Accord Park Drive #207, Norwell MA 02061 - (781) 878-4540
