April 10, 2014 - Financial Digest

Joseph Hegenbart, senior vice president/managing director of NorthMarq Capital's Boston regional office, arranged refinancing worth \$10 million for a Staples/Petco building. The property contains a combined 40,500 s/f and is located at 163 Highland Ave. The transaction was structured with a 10-year term and 25-year amortization schedule and was arranged for the borrower, 163 Highland, LLC through NorthMarq's relationship with a correspondent life company.

"We were able to take out the existing mortgage on the property with a long term low interest loan," said Hegenbart. "The excess proceeds from the new loan will allow our client to participate in other real estate investments.

Also, Ed Riekstins, senior vice president of NorthMarq Capital's Boston based regional office arranged refinancing of \$2.648 million for multi-tenant flex buildings. Buildings 1-7 and 11-12 are located at 10 Commerce Park North, Bedford, NH. The transaction was structured with a 25-year term and 25-year amortization schedule and was arranged for the borrower by NorthMarq through its relationship with a national bank.

"The unique flex space and the strong sponsorship as well as the continued relationship with the lender were essential to the success of the transaction," said Riekstins.
