Jewett Automotive Design & Construction completes renovations to Volkswagen of Rochester

May 15, 2014 - Front Section

Jewett Automotive Design & Construction, a division of Jewett Construction Company, Inc., has completed renovations to Volkswagen of Rochester.

Designed by Port One Architects, the 12,000 s/f design-build project includes a new, enclosed service drive; new flooring, ceiling tiles and lighting in the showroom; as well as exterior upgrades including ACM, updated façade with new entry element and glass and aluminum curtain wall. All work was completed while the facility was in full operation.

Jewett Automotive specializes in design/build auto dealership facilities, auto dealership additions, auto dealership renovations and auto dealership fit-ups all across N.E., completing close to 60 projects in the last few years.
